

## **BX-1500/1600 ERR4**

245 [Rick Bruner](#) Mon, Mar 21, 2011 [FAQ's](#) 0 2690

**Err 4... what does it means?**

**Answer:**

ERR4 in the BX-1500/1600 indicates an issue with one of the optical sensors, the clock may have dust inside and needs to be cleaned.
