## TCX-85 Atomic Time Clock Installation and Operation Guide

The **TCX-85 Atomic Time Clock** recognizes and responds to your American English voice commands. Set the time, Daylight Saving, Print Direction, Print Language, Print Method, Atomic Clock, Display Format and even select a pre-designed Print Format using simple voice commands.

Say "Hello Clock" and the clock responds "Welcome, to the Amano time clock, what would you like to change?" The speak your command, for example "Time" to set the time and the TCX-85 will respond appropriately using prompts to guide you.

Also, the clock is completely programmable using top mounted buttons.

Open and/or print the attached PDF formatted document for <u>complete installation and operation</u> <u>instructions</u>. See the TCX-85 Quick-Start Guide in the Amano Knowledge Base for basic instruction. Watch for upcoming instructional product videos in the Knowledge Base.
