---	------	---------------------	---------

	How	to	check if	Time	Guardian	<b>Services</b>	are	running
--	-----	----	----------	------	----------	-----------------	-----	---------

Please see if the following are running or started:

- ASA License
- Auto Process (TG) service
- Apache Tomcat 6
- Escalation Server
- Firebird Guardian/Server service

How to check:

## On a Windows XP:

- 1. Click on the Start button
- 2. Right click on My Computer
- 3. Select Manage
- 4. Select Services and Applications
- 5. Select on Services

## On Vista or Windows 7 Computer:

- 1. Start button
- 2. At the search box type "services.msc"
- 3. Press Enter
