

Error running report. Please close any open report(s).

386 [Luis Ospina](#) Wed, Sep 21, 2011 [Time Guardian Series \(TG 5.x, TG Plus 2.x, TG Pro 4.x\)](#) 0 6524

Client gets an error when running a report: "Message: Error running report. Please close any open report(s)."

Report opens up after you click ok or close.

Fix:

Please close any time guardian reports and rerun.

If still errors, full security/share permissions need to be enabled on the Time Guardian server directory to all Time Guardian Windows users since user is being denied access.
