

PIX-55 PRT E2 Error

398 [David Lopez](#) Mon, Nov 7, 2011 [PIX-55 Atomic Clock](#) 0 6205

PIX-55 giving PRT E2 error.

Try checking the cables inside of the clock make sure they are plugged in all the way and not loose. If this is the case try unplugging the clock then plug it back in. If this fails to clear the error, please call support.
