NOTE: Only perform this on your TG server or TG main pc

HOW TO ACTIVATE ADDITIONAL MODULES, USERS, OR EMPLOYEES

1. Click on **START** button on the toolbar.
2. Select **“All Programs”**
3. Select the package name (**TG, TG-PLUS or TG-PRO**)
4. Select **ASA Licensing Manager**
5. Click **“Update Features”**

The dialogue box will ask you to restart your Time Guardian Package.
