How to Set Daylight Saving Functions for PIX-10/15/21

90 David Lopez Fri, Nov 11, 2011 How To's, Tricks, Tips   7 21159

The attached document contains instructions on how to set Daylight Saving (DST) features on the Amano

Model PIX-10, PIX-15, and PIX-21 Time Clocks.

These instructions also contain embedded Flash [FLV] Videos. You can control the play features of each

video. Simply click on the video to play.

Note: the embedded Flash videos may require Adobe Flash player [or similar Flash player] and Adobe
Reader version 9 or higher to play.
