AMANO®

Introduction

MRX 35 DOES NOT ACCEPT CARDS.

ANSWER:

The most common reason is that the actuator came out of place. To fix this:

- 1- Unplug the clock.
- 2- Remove the top cover.
- 3- Find the actuator behind button number 5.
- 4- Push down on the actuator until it snaps back in place. (see image below)
- 5- Put cover back on and test.

Conclusion

Thank you for your time, and have a great day. As always, feel free to submit ideas on topics you want addressed in the Amano Knowledge Base using the comments feature.
