AMANO.

Introduction

How to check if Time Guardian Services are running

Please see if the following are running or started:

- ASA License
- Auto Process (TG) service
- Apache Tomcat 6
- Escalation Server
- Firebird Guardian/Server service

How to check:

On a Windows XP:

1. Click on the Start button
2. Right click on My Computer
3. Select Manage
4. Select Services and Applications
5. Select on Services

On Vista or Windows 7 Computer:

1. Start button
2. At the search box type “services.msc“
3. Press Enter

Conclusion

Thank you for your time, and have a great day. As always, feel free to submit ideas on topics you want addressed in the Amano Knowledge Base using the comments feature.
