AMANO.

Introduction

Factory Reset TS3000i

Notes: It will erase all data in the clock and reset the clock back to factory default mode.

With the cover case off,

Introduction

Factory Reset TS3000i

Notes: It will erase all data in the clock and reset the clock back to factory default mode.

With the cover case off,

1. Hold the two right buttons down and press the re-set button on the upper left.
2. Then release the re-set button
3. The LCD screen will display "CLR",
4. Release both right buttons
5. Then press the bottom right button. It will display "BUSY" on the LCD screen
6. It might take a few seconds, it should then state "Boot"

Conclusion

Thank you for your time, and have a great day. As always, feel free to submit ideas on topics you want addressed in the Amano Knowledge Base using the comments feature.
