AMANO.

Introduction

How to copy maps from 1 clock to another for clock model:

- **FPT-40**

1. In assignments tab for both clocks, 1 at a time
2. Double click on the word "terminal 1" highlighted in blue
3. Press the white paper icon on the top left and assign the employees
4. Do this for both your clocks
5. Save
6. In the fingerprint commands tab
7. Select the originating location: where they currently exist
8. Receive maps
9. Select the target location: where they do not exist
10. Send maps

Conclusion

Thank you for your time, and have a great day. As always, feel free to submit ideas on topics you want addressed in the Amano Knowledge Base using the comments feature.
