AMANO

Introduction

Amano is pleased to announce the release of our new MTX-30 series terminals. These new terminal work with a new release of Time Guardian 5.6. and Time Guardian Pro 4.6. These new terminals have additional features and functionality like serial or Ethernet communications on all terminal, bell ringing capability on all terminals, ability to transfer employee punches to a memory stick to name a few. Please review the product brochures for more details.

Software changes:

- Remove Adobe dependency
- Support up to Windows 10 and Windows server 2016
- Support up to Quickbooks desktop applications v17 and 2017
- Support 9 digit badge numbers on MTX30s and 5 digit on FPT80s

Conclusion

Thank you for your time, and have a great day. As always, feel free to submit ideas on topics you want addressed in the Amano Knowledge Base using the comments feature.
