Introduction

Dear Valued Dealer & Customer,

Amano is pleased to announce the release of our new facial recognition real time terminals. These new Time Guardian packages will be available starting **12/12/2019**

MAJOR CHANGES:

- PUSH Technology - no more polling for all AFR, real-time units means employee punches are sent to software immediately
- Speed optimization on GUI, software navigation
- Less limitation on automation from AutoProcess: reporting or email & communication to older clock models
- Face recognition combined with finger, proximity, password depending on model of AFR

AFR-200 support fingerprints

Also included are the new face reader product brochures. We also have a product video available at the following link:
