

Hard Reset AMANA FPT-80

605 [Frank Mateo](#) Mon, Jan 31, 2022 [FPT-40/80 Fingerprint Terminal](#) 0 1348

Please advise how to reset the FPT-80 terminal as it can't connect to the Time Guardian

REPLY:

WARNING: This will erase all data in your unit

On your unit

press M - system - data - all 4 options below must be set on or yes for erasure

Delete Att Log:Delete all attendance records.

Delete All:Delete all enrolled employees' information, fingerprint and attendance record.

Delete Admin Role:Change all administrators into common users.

Clean Dept: Delete all Departments
